

Turn key / installation / start - up / commissioning  
 - Medium voltage switchgear - 5kv, 15 kv, & 34.5kv  
 Metal clad - ANSI / NEMA  
 IEC metal enclosed  
 Indoor & outdoor

- Medium voltage motor control - 5kv, 15kv, & 34.5kv  
 Metal clad - ANSI / NEMA  
 IEC metal enclosed  
 Indoor & outdoor

- Low voltage - switchgear / switchboards - 5kv \$ 15kv  
 Metal clad - ANSI / NEMA  
 IEC metal enclosed  
 Indoor & outdoor

- Motor control centers - 480 volt  
 ANSI / NEMA  
 IEC  
 Indoor & outdoor

- Panelboards & switchboards / lighting & distribution - 480 volt  
 - Medium voltage capacitor and harmonic filter systems - 5kv, 15kv, & 34,5 kv  
 - Switchgear breaker maintenance & repair  
 - Power transformer repair & maintenance - thru 110kv  
 - Substation design, installation, & commissioning  
 - AC / DC motor repair & maintenance

- Off shore / platform installation and maintenance services  
 - Hot spot thermal graphic / monitoring  
 - OPGW fiber installation, repair and manintenance  
 - Over head ACSR cable installation  
 - PEMEX "Libreta de Mar" Cerffication  
 - Harmonic study & evaluation  
 - Engineering and drawings for approval & "as built" drawings  
 - Witness testing in Tlalenpantla plant
